a box came and in it there was a small box for you with 2 bottles with perfume in them and also a box with 2 bottles for Ora and a silk handkerchief for me and a corset-cover for Mama it was quite a good bit colder Saturday and snowed a little last night still it is nice for winter weather has school went so nicely since you went back did you get crippled by your birthday training so you were not able to teach, & did you come out best the midnight whistles and bells made there annual melody last night to disturb peaceful slumber but I did not get up and run out into the middle of the street to see the town burn up & love my bed so well for any such uprising as that. Mama received a photograph of the bell family for Christmas and it is a fine group. suppose you will be disappointed in not receiving your letter today but perhaps it will be just as welcome a day.
I will bring this short note to a close as mama will write some hopeing to hear from you soon that you are well and enjoying yourself largely & remain as ever lovingly P.P.
